

Be more productive

If your journey covers a lot of touchpoints, fill out each step in pairs. [Tools](#) help you quickly add new content, columns, and rows.

Remix it

Create a vision together by first mapping out the journey as it is today and then contrast it with a copy of how it should look tomorrow.

Get inspired

What happens when you view a CPM through a gamification lens? Find out in [Practical Journey Mapping](#) by Alex Gilroy on [Microverse](#).

1 Define who your journey will be focusing on.
10 min together

Focus the journey on Game-Changer

Game changers are people who introduce new practices to their organizations. They want inspire others to co-create and innovate together.

What are their key goals and needs?

- Improve and inspire others
- Change how others work
- Empower innovation outcomes

What do they struggle with most?

- Team members are resistant
- Team is too critical and/or not aligned
- Limited time for preparation

What tools do they have?

- Education the team
- Align with leadership
- Support team during execution

4 Describe what the customer needs or wants to avoid in each step.
35 min together

5 List everything or everyone the customer interacts with.
10 min together

6 Use emojis to illustrate how the customer feels.
5 min together

7 Brainstorm ideas. If many, follow with a 5 min voting.
20 min together

8 Discuss who will be responsible for improving this part of the experience.
10 min together

Journey Steps
Which step of the experience are you describing?

Actions
What does the customer do? What information do they look for? What is their context?

Needs and Pains
What does the customer want to achieve or avoid?
Tip: Reduce ambiguity, e.g. by using the first person narrative

Touchpoint
What part of the service do they interact with?

Customer Feeling
What is the customer feeling?
Tip: Use the emoji app to express more emotions

Backstage

Opportunities
What could we improve or introduce?

Process ownership
Who is in the lead on this?

Discovery Why do they even start the journey?	Registration Why would they trust us?	Onboarding and First Use How can they feel successful?	Sharing Why would they invite others?
Learn about why we're here	Common social network Choose a plan Get the first use	Watch an onboarding video Applied workplace Register templates Get through a tutorial	Open document Invite others Send a template
I want to be able to communicate visually Why would we do it?	I understand how this can help me get my job done I don't get up any personal data I worry about hanging up before trying	I hope this journey can get my job done I don't waste time creating materials I get inspired by other others do it I don't struggle with onboarding tutorials	I can start working right away I can work with others I learn from teammates as I
Friends recommendation	Registration form Email First templates	Onboarding tutorial Workplace Template library Onboarding tutorial	New document Sharing Template library
😊	😞	😊	😊
Decrease the effort needed to create new content, e.g. by creating a different pricing tier Improve Low confidence Overlooked	Increase the conversion rate, e.g. by increasing the duration of trial period to activate users Improve Low confidence Overlooked	Reduce the effort needed to onboard a new user, e.g. by implementing visual tutorials Improve High confidence Overlooked Create a template	Increase visibility, e.g. by redesigning the sharing and onboarding flow

3 Add more steps.
10 min together

2 Define the outcome the customer wants to achieve.
20 min together

What changes for them? Outcome

Describe how the life and environment of the customer changes once they used the product or service.

What are they able to do now?

- Get faster to new customers
- Team is more aligned and engaged
- More ways to improve without time

What can they finally avoid doing?

- Signer change
- Education on basic issues
- Support to troubleshoot frequently

What changed in my environment?

- More space for an individual in a team
- Teams no longer move frequently
- Results are more innovative
